I help publishers, nonprofit organizations, and US and international agencies produce **clear, credible, and compelling** reports, manuals, proposals, journal articles, books, policy briefs, and outreach materials.

I bring a **high level of professionalism** to every project, grounded in

- **experience** — over 15 years
- **professional credentials** — member, Board of Editors in the Life Sciences; advanced professional member, Society for Editors and Proofreaders
- **education** — MA in history, University of Hawai‘i
- **skills training** — university courses in manuscript, newspaper, and medical editing; short courses in layout and prepress; additional training in disaster public information and tutoring English as a second language
- **software proficiency** — Microsoft Word, Excel, PowerPoint; Adobe InDesign, Acrobat, Photoshop, Illustrator
- **languages** other than English — Spanish and German
- **editorial style manual** experience — Chicago, Associated Press, American Psychological Association, American Medical Association, United Nations, US Government Printing Office, Oxford/Hart’s Rules

Clients have included

- Center for International Forestry Research
- Environmental Law Institute
- Institute for Security Studies
- International Maize and Wheat Improvement Center
- *Mountain Research and Development* journal
- National Research Institute of Papua New Guinea
- Office of the UN High Commissioner for Human Rights
